

Call for Nominations: 2006 PMI® Healthcare SIG Project of the Year Award

Purpose:

To recognize and honor the accomplishments of a PMI Healthcare SIG Member and their project team for superior performance and execution of exemplary project management in the healthcare industry. This is not related to the PMI Project of the Year Award.

Eligibility

Healthcare projects from anywhere in the world are encouraged to participate, regardless of size. The project must be accepted as complete by the Owner/Client within three years of the nomination. There can be no restrictions on the use of the submitted information after the final date of submission.

General Criteria:

- Project is within the Healthcare Industry.
- Project Manager is a member of the PMI Healthcare SIG
- Met or exceeded Owner/Client's needs as evidenced by a letter from the Owner/Client.
- Met or improved on the project management plan (i.e. budget plan, workplan) performance when compared with original approved project management plan.
- The advancement of the image of the project management profession as demonstrated by effective application of the principles set forth in *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)*.

Nomination & Submission Procedure:

Nominations must be submitted, or postmarked, to the Healthcare SIG by August 1, 2006. Nominations should be submitted to the Director of Membership and Outreach at membership@pmihealthcare.org or at the following address

Sue Houston
Director of Membership and Outreach
10 Center Dr. - 10/1C290
Bethesda, MD 20892-1172

Submission should include the completed application, letter from Owner/Client, copy of original and completed workplan, original charter or scope document, completion document/lessons learned (if applicable), letter describing why this project deserves the award (limit 1 page) and up to three other supporting documents chosen by nominee.

Review:

Projects submitted will be reviewed by a panel of three PMI-Healthcare SIG board members. The recipient project will be selected by September 8, 2006 and the project manager will be notified by September 15, 2006.

Presentation and Recognition:

The award will include one registration to PMI North American Global Congress, an award to be formally presented at the SIG Annual Meeting and an article in the quarterly newsletter.
